Reasons for Allowance

1. Examiner has reviewed and considered Applicants amendments and comments as indicated in Applicant's response dated 03/15/07 on pages 8 – 10, and per Applicant's arguments claims 1, 2, 4 – 8, and 10 – 20 are now in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least the limitations of:

A computer system comprising:

“...wherein the scanner is for providing the token indicating the first parser for application-level commands, and if for providing the token indicating the second parser for driver-level commands...”, and as best illustrated by figure 2, in such a manner as recited in independent claims 1 and 7.

Therefore, all claims 1, 2, 4 – 8, and 10 – 20 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
